Services were greatly enjoyed at Union Baptist Church. Rev. Kenny Pastor. The day began as usual with Sunday School. The Sixth Grade pupils of the school were given an excellent job in helping with Sunday school. The morning services were well attended. The pastor preached the gospel of truth and did not our souls burn within us. The afternoon services were well attended. The Senior and Junior Home Missions of which Mrs. Ora D. Lee is president, were given two visiting quartets to supplement the school chorus. Mrs. Theresa Lee, who is the organist, was called away from the middle of the program because of illness. School News

By Doris Matheson

The seniors turned out early, 6:30, Friday morning—the reason was they had a day when every one congregated at the Belle Glade's Paradise Park we piled cars and headed for Jupiter. However, we didn't travel the same route the majority of people do to reach our destination. Instead we turned off at the Indian Town Junction and rode over the dusty shortcut discovered by three of our energetic senior boys, Bill Bailey, Huell Prier, and Jimmie Herring, who found this time-saver on a previous trip to Jupiter to make arrangements for skip day.

We arrived at our destination to find that one car of intelligent seniors took the wrong road and had not arrived. When these four, Kaye Lutz, Bob Crompton, Charles Miller, and Jackie Berry, drove up they reported that they not only had taken the wrong road, but in their rush through Stuart they got pulled and warned to slow down.

At Jupiter we boarded three yachts for our ten mile cruise down the Loxahatchee River. The draw bridge and railroad opened up to allow our yachts to pass through. Quite exciting because the cruise took place on the water. The shore line added to the excitement. Two huge alligators walked slowly into the water, and rare birds chirped from the trees.

After two hours, we reached our final destination, the camp of "Hunter" Nelson. His camp was unique in every detail. There were several small cabins, a little hut housing all types of snakes, racoons, wildcats, and every size of alligators from the new-born to the full-sized adult. Bamboo logs covered picnic tables and hammocks, and row boats were on hand for cruises.

The swimming was enjoyed by the group. Charles Miller broke the record as he started into a fancy dive. Beverly Greer created quite a sensation in her life preserver.

Food was served buffet style. There were twenty chickens, potato salad, sandwiches, pickles, potato chips, cookies, cakes, and every kind of cold drinks. Everyone enjoyed seconds!

Before anyone could realize it, 'twas time to board the yachts again. When we reached Jupiter the party split up. Several cars returned to Belle Glade so that the star senior basketball players, cheerleaders, and fans could be on hand for the game with Ft. Pierce.

Other cars journeyed to West Palm Beach to attend the various movies. One daring carload stopped off at Palm Beach to enjoy the movie at the Colony Theatre clad in their sunburn and sunglasses.

'Twas a wonderful day and special compliments go to our chaperones, Mrs. Herring, Mrs. Berry, Mrs. Lutz, Mrs. Kent, Miss Diggs, and Miss Leichter. They were all such good sports and helped make the day more enjoyable.

If anyone needs verification of this wonderful day, take a look at the pictures being shown during the various classes. Better still notice the activity of the seniors as we scratch those bites, itch, red-bugs or what have you. It was well worth it!

Magazine Drive Completed

The junior class reported a profit of \$149—on selling subscriptions. Along with their proceeds from the school paper, and selling drinks at games sounds as if they will be financially able to sponsor an excellent prom, doesn't it?

F.H.A. Members To Attend State Fair

At a special meeting of the F.H.A. June Batley was elected by the unanimous vote of the girls to accompany the president, Jo Anne Kent, and her vice-president, Catherine Friedheim, to the state fair as guests of the Tampa Electric Company. These three girls will represent the Belle Glade chapter of F.H.A. when they act as hostesses for the company. They will reside at McDill Field with the hostesses from other schools. The official F.H.A. uniform consisting of a white skirt, and a white sweater with the F.H.A. emblem will be worn by the girls.

Approximately fifteen other F.H.A. members will attend the fair. Plans have been made to leave Belle Glade on the school bus Friday morning, Feb. 3, at 9 a.m. Reservations have been secured at the Flamingo Hotel, Mrs. Cherry, Mrs. Litchfield, and Mr. and Mrs. Stein will act as chaperones for the group.

Valley Ball

The Los Sabes la Todas and the Tarantellas met on the volleyball court Friday during sixth period to play the final game of the valley ball tournament. Student fans surrounded the court to watch their favorite fight for the victory.

During the first half the Tarantellas took the lead. This only seemed to strengthen the determination of the L.S.T. in the second half they caught up and forged ahead for a final score of 15-11.

Annual Staff

Work is rolling forth due to the midnight oil that has been burning. The annual staff even gave up the marionette show Thursday in order to work on the annual. It was time well spent from the looks of the results. Some good pictures of the senior sneak will be viewed by all when that year book comes out next spring. Look for them!

The band and band parents are sponsoring a tuxedo dinner at the school cafeteria Friday evening. Proceeds will help to finance the band trips. The dinner is just \$1.00 so come out for some turkey.

It's the other fellow's Telephone...

that makes yours so Valuable!

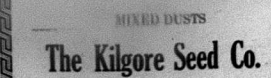

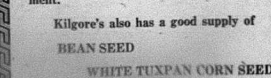

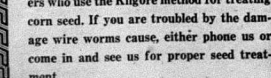

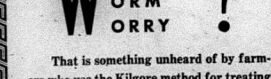

If your telephone were the only one in town, it wouldn't be worth very much to you. It's the people you can call and the people who can call you that makes telephone service mean so much.

The value of your telephone increases as more new telephones are installed. Today there are more than twice as many telephones in service as there were before the war and some continue to go in at a record rate. Probably some of your friends or relatives are among these thousands upon thousands of new subscribers. Yes, it's the other fellow's telephone that helps to make yours so valuable.

When you consider how much it does for you at the price you pay, telephone service stands out as one of today's real bargains.

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY

so much value... so little cost

We take the Woes and Worries out of Leather

But bear this one thought in mind...

Rough road conditions call for special attention to your lubricants. Tires should be checked for correct inflation—for deep, clean tread that bites on a slick surface. Brakes won't stop you with a sure and gentle touch if the master cylinder needs more fluid, or if an air-bubble has worked itself into the line. These things, and more, should be checked to keep your Buick at its best.

If that sounds like more than one thought to bear in mind—just drive into our shop and tell the man, "Lubricate, please."

Our winter Lubricate treatment covers all these points—with specially trained mechanics following factory specifications as they go over your car from end to end. Drive in this week, why don't you? The price is surprisingly low. The peace of mind is priceless.

Harbor Civic Club Protest Allocation of Tax Monies

The Lake Harbor Civic Club took action last week to protest the allocation of road funds in the manner they had been set up by the State Road Department. They claimed it is not a fair distribution of funds according to the need. The club contended that out of \$336,000 available, \$69,400 had been set up for the Cardwell Air Port Road which was a non-essential road in their estimation and that the allocation should be for more essential road building.

To that end, they sent an air mail letter to the State Road Department timed to reach Tallahassee in time for the hearing of the Palm Beach County Commission on January 19 and asked that an investigation be made and a redistribution of the 7 percent gasoline tax and federal taxes be made to take care of the most essential road building in Palm Beach County, leaving other roads to be improved later.

Later Day Salts Sponsor Green Gold Ball Saturday Night

The Green Gold Ball, sponsored by the Mutual Improvement Association of the Church of Latter Day Saints was held Saturday night at the Woman's Club on Biscayne Drive, Miami.

This was followed on Sunday by a conference of the South Florida District President Albert Choals of Atlanta presiding.

The new district president, Kenneth Willardson, supervisor of elders, San Diego, California, and Elder Andrew Caras and Elder Mark Lindsay of Blackfoot, Idaho visited Mormons in this vicinity last week and then spent several days in Ft. Myers, returning to Miami for the Sunday Conference.

Harvey Wiggins of Belle Glade and C. W. Byrd of Clewiston attended the conference from the Glades L.D.S. Church.

South Bay Town Council For New Lights

The South Bay town council at their last regular meeting contracted with the Florida Power & Light Company for the installation of 16 new street lights by extending the existing lines in two directions.

Nine new lights will be put in at 300 foot intervals on Palm Beach Road extending from the Three Way Piling Station to the Puckling House district and beyond to the J. C. Summerlin drive-way. These lights will do much to reduce the hazard of pedestrians who use the highway in going to and from the industrial district and the Summerlin subdivision.

One new light will be placed at the intersection of Palm Beach Road, N. W. and S. W. 2nd Ave and the County Road to light the postoffice corner in the main business district.

Six lights will be strung from the locks south along S. W. Canal Street at 300 foot intervals to light the streets on both sides of the North New River Canal.

South Bay Receives Tax Money From State

The Town of South Bay last week received the state warrant

from the State Comptroller for the town's share of the cigarette excise tax monies collected within the town limits. The check amounted to \$1288.03.

VARIOUS JOBS LOOKING FOR QUALIFIED VETERANS

Being physically handicapped need not bother veterans looking for advertising sales jobs. The Florida State Employment Service has openings for its veterans, three male and three female, capable of doing this type work. All the employer requires is that the person be able to meet the public and solicit advertising for a paper published for a large organization.

Other jobs which the Employment Service has not been able to fill include a window trimmer to build displays and do show card work, and one for a catering club manager.

And those who really want to get in the "doggy" may be interested in a permanent job as a bread dough mixer or a dividing machine operator in a bakery. Both jobs require experience.

Also listed is an opening for a hospital superintendent who will be required to supervise the activities of personnel in a 30-35 bed hospital. The applicant must have from 3-5 years experience.

In the central part of the state the Employment Service is on the lookout for a safety engineer who has had at least two years of college and one year's experience in this type of work. This job also requires experience or training as an industrial nurse.

Rounding out the special job opportunities in this area is the opening for a lithographic pressman who must be well qualified to work on a Webendorff offset press.

Belle Glade Bakery
Belle Glade Bakery, located on Avenue "A," has been in operation since last August 16, but during that short span of time, it has already become a byword for household economy and flavorful bakery delight. Owned and operated by Mr. and Mrs. Charles X. Henry, this bakery is patronized by the most fastidious for all kinds of breads, including pumpernickel, and salt-rising; Danish and French pastries; a full line of pastries and cakes for all occasions. They take special orders for wedding cakes.

The Henrys endeavor to make their baked products matchless as table-worthy, flavorful, fine-tasting treats, of such consistent goodness that once tasted, they are never wasted.

When planning your party menus, remember Belle Glade Bakery for anything in breads, cakes and pastries, and relieve yourself of extra work and baking worry, and really enjoy yourself with your family and guests.
